Dear Mr. Mossman:

We have received the "Groundwater Monitoring Workplan - 2003" (Workplan) dated December 9, 2002, prepared by Haley & Aldrich. The Workplan presents the rationale for selecting the set of groundwater monitoring wells, the sampling frequency and analytical methods for the site-wide groundwater-monitoring program. We have completed our review of the Workplan and approve its implementation.

Please submit groundwater monitoring reports on **March 31, 2003**, and **September 30, 2003**. Please call me at (213) 576-6737 if you have any questions.
